

AquiMax® Turf Pro DG

Soil Wetter and Moisture Retention Aid

PRINCIPAL FUNCTIONING AGENTS

A proprietary blend of nonionic surfactants, polymer and carrier 100%

All ingredients are exempt from tolerance under 40 CFR 180.

KEEP OUT OF REACH OF CHILDREN WARNING

Causes serious eye damage. Avoid contact with skin, eyes or clothing. Do not take internally. Do not eat, drink, smoke or chew gum while using this product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. In addition, follow precautionary statements on all products used with this material. Clean affected clothing, shoes, and protective equipment before reuse.

Personal Protective Equipment: Wear chemical splash eye-wear and gloves, long-sleeve shirt and pants, and shoes and socks.

SLIPPERY WHEN WET DO NOT FREEZE

FIRST AID

Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment.

WARRANTY: EXACTO, INC. (Exacto) represents and warrants that its products are manufactured in accordance with the product's specifications and that its products, at the time of delivery to the purchaser, shall be free from all material defects. EXACTO MAKES NO WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, CONCERNING THE PRODUCT, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE DISCLAIMED. FURTHER, IT IS UNDERSTOOD AND AGREED THAT EXACTO'S LIABILITY SHALL NOT EXCEED THE RETURN OF THE AMOUNT OF THE PURCHASE PRICE PAID BY PURCHASER AND UNDER NO CIRCUMSTANCES SHALL EXACTO BE LIABLE FOR SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES. Products for which a warranty claim is made are to be returned transportation prepaid to Exacto's production facility. Any use not in accordance with product directions and precautionary statements, and any modifications or additives to the products, or any adulteration, dilution or alteration by the purchaser shall void this warranty. No employee or representative of Exacto is authorized to change this warranty in any way or to grant any other warranty.

NET CONTENTS: 50 Pounds (22.7 kg)

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing for several minutes.

IF ON SKIN OR CLOTHING: Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes.

IF SWALLOWED: Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person.

IF INHALED: If breathing is difficult, remove person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

GENERAL INFORMATION

Dry, granular **AquiMax® Turf Pro DG** is an easy-to-handle, advanced soil wetting and moisture retaining technology that helps water to penetrate into hydrophobic soil layers and remain in the zone where plant roots are actively growing. **AquiMax® Turf Pro DG** is useful for treating localized dry spot (LDS) and other conditions of wetting resistance in intensively managed turf.

DIRECTIONS FOR USE

Before applying **AquiMax® Turf Pro DG**, calibrate application equipment and test spread pattern to ensure consistent coverage.

Use a spreader or hand apply to the desired area. After application, immediately hand water or irrigate with 1 inches of water to release

AquiMax® Turf Pro DG into the soil structure.

Though phytotoxicity has been evaluated, care should be taken by testing this product on sensitive plants before full application is performed.

USE RATE

Apply 2.5 to 5 pounds of **AquiMax® Turf Pro DG** per 1000 square feet every 4 to 6 weeks. Increase application frequency if signs of stress appear before the reapplication date has been reached.

After application, immediately hand water or irrigate with 0.5 to 1 inches of water to release **AquiMax® Turf Pro DG** into the soil structure.

HANDLING, STORAGE AND DISPOSAL

Handling: Spills will be slippery and adding water to spills will increase slipperiness. Treat spills with absorbent material. When absorbent material is disposed of, rinse area thoroughly until slipperiness disappears.

Storage: Keep bags closed at all times. Store in a cool, dry place.

Disposal: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal if allowed by law. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.
